## Would Let Arbitrators Rule In Strike

## C & NW Accepts Kennedy Proposal

CHICAGO (AP) — The Chicago & North Western Railway has tentatively accepted President Kennedy's proposal to let arbitrators hand down a ruling on the 19-day Midwest rail strike.

The President also proposed that wheels on the 10,600-mile rail

network in nine states begin rolling immediately.

In Washington, G. E. Leighty, president of the Order of Railroad Telegraphers, said the union will study the plan.

Kennedy wired both sides Monday night from Newport, R. I. telling them there was "no excuse for a continued stalemate."

Kennedy proposed that an independent three-man board give its ruling within 10 days, with the ruling binding on both sides.

The plan would limit the arbitrators to considering the "question of the proper application" of recommendations announced June 14 by the presidential emergency board.

The President stuck by the recommendation of his emergency board, saying this is "fair to both sides and consistent with the public interest."

The findings of the presidential emergency board have figured prominently in the bitter dispute which centers over the firing of telegraphers the railroad says are necessary.

Ben. W. Heineman, chairman of the railroad, walked out on the negotiating sessions in Washington Saturday night and returned to accept the emergency board recommendations in their entirety.

The emergency board last June recommended the union withdraw its demand that no telegraphers' jobs be eliminated without a union vote. It also asked that union and management negotiate an employment protection and job retraining program.

## Girl, 4, Is Hurt In Two-Car Crash

Blinded by the sun, a city driver was involved in a two-car collision at the intersections of S. Ellsworth Ave. and Wilson St. in which a four-year-old Youngstown girl was injured.

Joan Cleveland was taken to the Central Clinic where she was treated for a contusion of the scalp and a mild contusion of the chest, hospital authorities reported. She was released after treatment.

The accident occurred at the intersection after Arthur L. Schuster, 320 W. Perehiney St., traveling west on Wilson, was blinded by the sun and thought the light was green. Schuster told police "that the sun was directly behind the light making vision difficult."

Schuster ran into a car driven by George W. Cleveland of Youngstown who had just proceeded through the intersection. There was no arrest.

## Board Must Borrow For Next Two Payrolls

## Salary Adjustments Made For 26 School Teachers

Authority to borrow \$95,000 to meet the Sept. 30 and Oct. 15 payrolls of the Salem Public School System, requested by Assistant Superintendent of Schools Darrell M. Fadelly at the Board of Education meeting Monday evening in the Junior High School, was approved by the board.

Other action at the meeting included Superintendent of Schools Paul Smith's recommendation and the board's approval of the employment of two teachers and two custodians. Also, salary adjustment for 26 teachers was recommended by the superintendent and approved by the board.

Perry Coy, who has had three years of teacher's training and 12 years of teaching experience, has been employed as shop teacher for one year at a salary of \$4,900. Coy has been a custodian in the junior high building.

George Istvan of Struthers, holder of a master's degree, has become a Salem teacher with a salary of \$6,675. Besides teaching at Junior High, he is serving as assistant football coach.

Gordon Roessler has been hired as assistant custodian at the senior high school building at a salary of \$3,600. Leonard Toot will serve as an assistant custodian at Reilly School at a \$3,300 salary. Roessler and Toot are new employees of the school system.

## Must Meet Payrolls

Fadelly explained that \$50,000 is needed to meet the Sept. 30 payroll and another \$45,000 will be needed for the mid-October payroll. He pointed out that the Salem School System is due to receive some funds from the county and some vocational reimbursement from the state soon, but that he does not know exactly when these funds will arrive. Should the expected funds be received sufficiently soon, the

authority to borrow for either of the payrolls or for both of them will not need to be used.

Superintendent Smith declared that revised salaries for 26 teachers "is in keeping with our salary policy for adjustments due to additional training, or assignment." Salary raises range from \$100 to \$400 for teachers working toward master's degrees, with \$100 increase being granted for each six hours of additional graduate study. Increases up to \$700 recently completed work on their

were granted teachers who re-bachelor's degrees.

## Salary Adjustments

Salary adjustments were made for: Barbara Cobourn, whose annual pay is now listed at \$4,650; Helen Heim, \$6,786; Frank Tarr, \$6,525; Janis Yereb, \$4,650; Marye Fisher, \$4,850; Jack Alexander, \$5,100; Jane Eckstein, \$5,450; Lloyd Fitzpatrick, \$4,650; Irene Leaf, \$4,850; Walter Newton, \$6,125; Harold Paxson, \$5,

## Will Provide Data for Schirra Flight

## U.S. Orbits Sixth Weather Satellite

CAPE CANAVERAL, Fla. (AP) — The sixth in a series of Tiro weather satellites rocketed into orbit today and its camera eyes went on immediate alert for hurricanes, typhoons and other storms around the globe.

The electronic weatherman shot

away from Cape Canaveral at 3:35 a. m. aboard a three-stage Thor-Delta rocket. About two hours later the National Aeronautics and Space Administration announced the satellite was in successful orbit about 400 miles high.

It was the 11th straight successful satellite launching for the 92-foot Delta vehicle, this nation's most reliable space booster. It also made six successful launches in as many tries for the Tiro satellite program.

The two television cameras carried by Tiro 6 were to begin transmitting cloud cover pictures after two orbits were completed. During the early phases of flight tracking stations were to determine the precise course and how well the satellite equipment was functioning.

The NASA statement said "Tiro 6 is in orbit and all systems appear to be functioning normally."

The satellite also could predict the weather for next week's scheduled orbital flight of U.S. astronaut Walter M. Schirra Jr.

Sea conditions in the Atlantic and Pacific recovery zones will be watched closely as Schirra's Sept. 28 launching date nears. Hurricanes and typhoons are definite threats in both oceans this time of year.

If Schirra is brought back to earth after one, two or three orbits, his capsule will land in the Atlantic. Completion of four, five or six orbits would drop him in the Pacific.

Tiro 6 originally was scheduled for launching in November, but was advanced two months to provide insurance in case the ailing Tiro 5 satellite should lose its one remaining camera eye.

## Age Favors New Spacemen Over Original Group In 1st Moon Shot

HOUSTON AP)—The man who directs the nation's manned spacecraft flights says such famous names as John H. Glenn Jr. may not be among the astronauts riding the first U.S. rocket to the moon.

Dr. Robert R. Gilruth, director of the Manned Spacecraft Center here, said age may be working against Glenn and the other six original astronauts when Project Apollo's moon shots begin six to eight years from now.

In introducing nine new astronauts on Monday, Gilruth said: "Some of the original seven are highly motivated to make the moon shot, but the age factor

very well could make it difficult for them."

Ages of the new group range from 31 to 35, compared to 35 to 41 for the 1959 group. Glenn is the oldest.

Gilruth said the 253 volunteers who submitted applications last spring made it possible to select nine excellent men. Two are civilians with Navy training.

The new astronauts—all test pilots—are:

Neil A. Armstrong, 32, a native of Wapakoneta, Ohio, a test pilot of the X15, and an aeronautical research engineer at Edwards Air Force Base, Calif.

Maj. Frank Borman, 34, Air

## Beauty Blooms At Night

A four-foot high night-blooming cactus owned by Mrs. Frank Saffell, who lives a half mile south of North Georgetown, bloomed Monday night for the fourth time this summer.

In the picture, taken last night by Salem News photographer, Mrs. Saffell admires the plant's five beautiful flowers.

Usually producing only one or two fluffy eight-inch blooms at one time, the plant opened from

five to eight buds at once during the past week, for which Mrs. Saffell credits a new fertilizer used for the first time this season.

A cherished "family heirloom," the huge plant is a "descendant" of one owned by Mrs. Saffell's mother and has been in the family continuously for over 70 years.

Many persons have stopped at the Saffell home to view this unusual plant which only blooms after 10 at night.

## Plan New Season of Activities

## Senior Citizens to Reconvene Wednesday

The Salem Senior Citizen Club will resume a full schedule of activities this week with "drop-in" on Wednesday from 1 to 4 p.m. in the gym of the Memorial Building.

Thursday morning at 9:30, the Craft Classes will begin with classes in wood fiber flowers, corsages, glass etching, mat stick projects and copper tooling. Each week thereafter new crafts will be added. There are 32 different handicrafts made available to club members during the season at wholesale costs, with free instruction.

Volunteer Craft instructors are Mrs. Ralph Martin, Mrs. Donald Rinard, Mrs. Carl Lohwald, Mrs. Margaret Freeze, Mrs. Perry Hilliard, Jr., and Mrs. Perry Hilliard, Sr.

Mrs. Hazel Schnorrenberg, Mrs. Edith Boughton and Mrs. Leota Greenstein will provide coffee and arrange for the noon lunch.

Members are asked to bring their own sandwiches.

At 1:00 p.m. Thursday, Mrs. Bruce Milligan will direct the Chorus, with Mrs. Charles Snel as accompanist.

At 2 p.m. Mrs. Raymond Stiver will have the Kitchen Band rehearsal. A band and music storage room has been redecorated by Homer Hilliard, Clair Charlton and Harold Babb.

## Business Session Sept. 26

On Wednesday Sept. 26, the club will have the monthly business meeting in the Memorial Building. In keeping with the program theme "Senior Citizens Around the World" the country under discussion for September is Italy. The meeting will begin at 12 noon. Mrs. Mae West is chairman of the social committee.

Mrs. Charles Snel, program chairman and Mrs. Hazel Tilley, Mrs. Carrie Mellinger, Mrs. Helen Kenreigh, Mrs. Jennie Hendricks, Mrs. Mary Cessna, Mrs. Dorothy Hanna, Mrs. Leota Greenstein, Mrs. Carrie Gray, Mrs. Vern Morningstar, Mrs. Florence Wintermantle, Mrs. Mary Robinson, Mike Linder, Mrs. Anna Dietz and Mrs. Ella Lippitt will assist with the serving.

Those members having birthdays in September will be served birthday cake provided by the Ladies of the Elks Auxiliary.

Election of officers for 1963 will be the highlight of the business meeting under the leadership of President Harold Babb. A president, vice president, treasurer, corresponding secretary and re-

## Threaten Again To Conclude Separate Pact

W. German-French Collusion Charged By Red Statement

MOSCOW (AP)—The Soviet government declared today that because of alleged collusion between France and West Germany there is an imperative need for a German peace treaty that would solve the Berlin problem.

A government statement distributed by the official Soviet news agency Tass said the urgency of the situation has been heightened by French President Charles de Gaulle's recent visit with West German Chancellor Konrad Adenauer.

## Threaten Separate Pact

The statement said that if the Western powers do not agree to a German peace treaty, the Soviet Union will sign a separate treaty with East Germany. No date was mentioned.

Commenting on De Gaulle's visit to Germany, the statement charged the French leader is setting up a Bonn-Paris axis with the aim of taking control of Europe's forces.

The Soviet statement was the second issued through Tass news agency in two days on Berlin.

Monday, a statement said the Soviet Union refused to renew four-power relations in Berlin and called on Britain, the United States and France to abolish what was called the "NATO military base" in the city.

The Soviet statement came Monday as thousands of Allied troops in combat gear launched a major test of their ability to spring to West Berlin's defense.

The alert, involving most of the West's 11,500-man garrison, ended early today. Military officials were reported satisfied with the results.

The Soviet government statement, released in Moscow, rejected the Western position that Berlin still is under four-power control. It ignored Allied calls for re-establishing relations broken last month when the Soviet Berlin commandant was withdrawn and his post turned over to an East German.

The statement claimed four-power administration has not been in existence since 1948 when, it said, the United States, France, and Britain set up a separate military command.

"West Berlin has now been turned into a military base of the aggressive North Atlantic bloc directed against the U.S.S.R., the

## Mystery Light In Sky Is Observed

A mysterious light hovering 45 degrees over the horizon early today in the Poland area was spotted by the Mahoning County Sheriff's Department on US Route 224.

The unidentified object was described by the Sheriff's Department as a "bright light that had the speed of a slow moving jet."

A cruising sheriff car first spotted the "bright light" while on Route 224, approximately one-half mile east of Rt. 7. He reported that the object stayed with them "to the right of the car about 45 degrees above the horizon" but then started to fade from the heavens.

The Dayton Air Force Base was reported to have sent planes out to investigate the object in the sky. There have been two other confirmed reports that the mysterious visitor was seen at Massillon and Cambridge.

Other reports from Ohio state highway patrols have mentioned seeing the object, it was reported.

## 'It's a Man's World' Welcome Change In Usual Run of TV

By CYNTHIA LOWRY  
AP Television-Radio Writer  
NEW YORK (AP) — "It's a Man's World" is the title—and a thoroughly misleading one—of a gentle, preceptive series about three young men and a boy which had its premiere Monday night on NBC.

Peter Tewksbury, who created and produced the series, said recently he had a hard time explaining to his front office that he wanted to do his opening show about a 14-year-old boy who loses \$32.

As a matter of fact, the plot is still impossible to explain, but the boy did lose \$32 and its return serves to introduce the young stars in a happy, imaginative series about growing up.

The four lads, each a different type, are engaging and interesting actors. The show is a welcome change from idiot-inhabited situation comedies, psychotic murderers and cowtown shootouts.

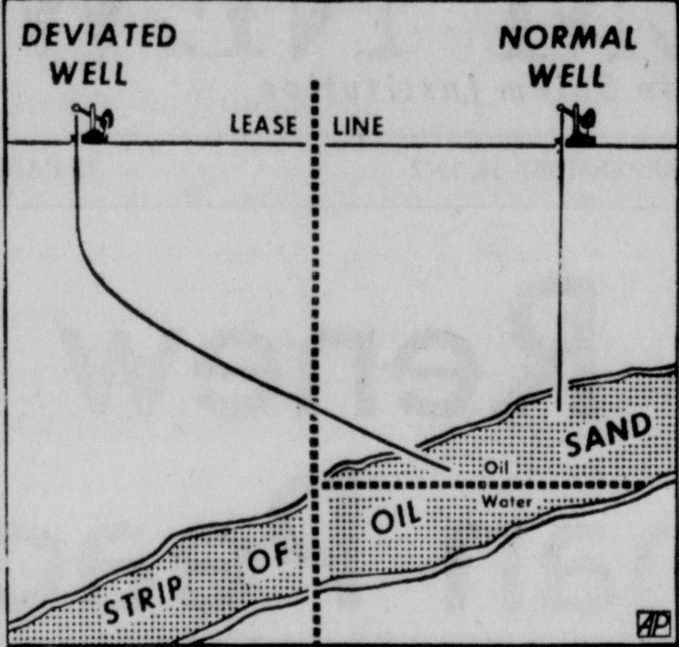

The program, one surmises, will concern the problems of orphaned brothers, one of them working his

way through a small Midwestern college, a fellow student—richer and more carefree—and finally, a Southern country boy, all living together in a shabby houseboat. It doesn't sound like much, but it's fresh and, if you'll pardon the expression, heartwarming.

"Saints and Sinners," another new NBC series bowing in Monday night, promises to be a fast-moving, taut action series built on a newspaper city room foundation.

The first episode concerned the abduction for ransom of a businessman. The drama was not so much the hunt as finding the person who tipped off a rival paper about the story, thereby endangering the kidnaped man's life.

Of course, there were the time-honored newspaper characters so beloved by fiction writers—the brash, talented young star reporter—well played by Nick Adams—the gruff but kindly editor, the colorful photographer, the broken-down rewrite man and, natch, the

But so far, not a dirty trench coat has loomed and, true to the producer's promise, nobody yelled "scoop." They did "tear up a page," but it wasn't the front one, only the classified ad section.

## The Doctor Says

By Dr. H. T. HYMAN  
Overexposure To Sunlight

Overexposure to sunlight is a problem to millions of persons the year 'round in these days of heavy resort travel.

There's an old saying that you can't get too much of a good thing. And certainly there are no better "good things" than parental love and sunlight. But recent studies indicate that we can get too much of both.

Take sunlight. Since the present relatively affluent life allows more time for travel and recreation, millions of us expose ourselves to intense sunlight in the course of outdoor activities. Many of us regard the degree of tanning or bronzing as an indicator of health.

Nevertheless, skin specialists of Baylor University, in Houston, Tex., believe that sunlight exposure speeds the aging process of the skin, tends to invite skin cancers. An increasing number of

## Man Is Held In Assault on Girls

AKRON, Ohio (AP)—A 33-year-old Portage County man was held without charge in Summit County jail here today in connection with the alleged assault on two Hudson girls.

Sheriff's deputies identified the man as Ernest John Thomas of Brady Lake and said he had been identified by the girls, ages 10 and 12, as their attacker.

Portage County sheriff's deputies arrested Thomas when he returned home late Monday night. He was traced through the description of his late model car and a partial license plate number given investigators by the girls.

The girls were picked up Sunday by a man who posed as a policeman while they were playing at a vacant farm house near Hudson. They told authorities the man drove to a secluded spot, made them disrobe, assaulted them and then drove them back to where they had been playing.

The alleged assaults took place in Portage County, deputies said. The girls were treated at Children's Hospital here and later released.

## Dutch Quit W. New Guinea With Mixture of Emotions

HOLLANDIA, West New Guinea (AP)—The Dutch are pulling out as fast as they can from West New Guinea—their last colonial territory of the once great Dutch East Indies.

There is no panic, but they leave with a mixture of emotions—deep regret, sadness, relief and some bitterness.

As one Dutch trader said: "We knew we had to leave sooner or later. But it is always sad when you are actually faced with leaving. Our role in this part of the world has been played out. We

have reached the end of the road."

This tropical territory astride the equator with most of its 161,000 square miles consisting of dense jungles, coastal swamps and undeveloped lands, will be transferred from the Netherlands to a U.N. administration for a seven-month interim period Oct. 1. Next May 1 Indonesia takes over.

Native Papuans in the central highlands of this California-sized territory still live in the stone age and have little or no contact with white men.

Since the Dutch-Indonesian cease-fire on Aug. 15, the departure of women and children has been accelerated. Many dependents of Dutch officials began leaving more than a year ago, when the Indonesians threatened military action to recover what they claimed to be part of the former Dutch East Indies.

Of a total Dutch population of about 16,000, only 400 to 500 will remain after Oct. 1. Most of these are Dutch officials who plan to be home by Christmas.

## Castro May Build Base on Cuba's North Coast

GUANTANAMO NAVAL BASE, Cuba (AP)—Sources in contact with the Cuban underground say information they have received may indicate a move by the Castro government to build a naval base on Cuba's north coast.

These sources said that for several weeks the Cuban government has been removing families from an area near a town called Banos.

The Banos area is about 20 miles northwest of Guantanamo Bay. The town of Banos is at the northwest end of Bahia de Nipe-Nipe Bay.

Cuba doesn't have much of a navy, but President Kennedy announced recently that the Russians have been sending missile-armed torpedo boats to Cuba.

Reports of the activity on the north coast came through sources which Navy officers at this base said have proved reliable.

These sources also said they had received information that Russians and Czechs have appeared in some numbers in eastern Cuba and have been seen living in camps near Santiago, about 50 miles from Guantanamo.

Cubans who work on this base but live in Fidel Castro's territory told of increasing food shortages, rising prices and a thriving black market here.

A report was that Castro may start rationing bread. Other important foods, including meat and milk, already are tightly rationed.

## New Roads Will Link Europe With Asia---

Within five years, two modern, all-weather highways will carry commercial and tourist traffic between Europe and Asia as far as Teheran. As shown on map above, southern and northern routes will begin in European Turkey and cross into Iran, linking up major cities in both countries. The master plan is the result of co-operation between the two governments, with advice and assistance from the U.N. and other international agencies.

## Lisbon Social

By ETTA MAE ALEXANDER

The Lisbon Lionettes sponsored a talent show for 200 patients at Oakland Veterans Hospital in Pittsburgh Sunday afternoon.

Mrs. George Zeigler, mistress of ceremonies, introduced the following performers, Harry Morris, Mr. and Mrs. Ben Wilson and sons, Rod and Todd, Miss Majorie Marks, Miss Sherry Schroyer, Judy, Karen and Connie Culbertson and the Country Rhythm Boys.

Eight members of the Lionettes who accompanied them to Pittsburgh are Mrs. Mollie Schroyer, Mrs. Viola Reynolds, Mrs. Jean Detwiler, Mrs. Marjorie Galbreath, Mrs. Beulah Beiling, Mrs. Doris May and Mrs. Zeigler.

The Gamma Zeta Chapter, Epsilon Sigma Alpha Sorority, met Thursday evening in the high school.

Miss Meretta Tkirt, president, presided at the business meeting which included discussion of several new projects to be announced later.

The sorority will sell peanuts at all home football games. They also will have a stand and sell home made candy at the Lisbon Lions street fair Sept. 29.

Miss Phyllis Hamilton, program chairman, introduced Atty. Charles Pike, Columbiana County chairman of the Republican Committee, who was guest speaker. His subject was "What's New in Politics?"

## Senate-House Conference Okays College Aid Measure

WASHINGTON (AP)—A Senate-House conference has breathed new life into a \$2.35-billion college education aid bill after some of its strongest partisans had abandoned hope for it.

The conferees reached their agreement late Monday on the only piece of legislation in President Kennedy's broad education package given any chance of reaching his desk before Congress quits.

The final compromise does not contain all the President asked,

but it was closer to the Senate bill he endorsed than to the more limited House measure.

The conferees still must meet Wednesday to sign their report. Sen. Wayne Morse, D-Ore., and Rep. Edith Green, D-Ore., heading the respective delegations, said this was just a formality.

There was a possibility of floor fights on the compromise, particularly in the House. But Mrs. Green said she was confident of bipartisan support in the show-down. The House conferees approved the final product 6 to 1. The Senate group voted 7 to 2 for it.

The break in the long deadlock over the bill—it passed the House in January and the Senate in February—came in these actions:

1. The Senate agreed to accept construction grants for private colleges but the use to which they

could be put was closely restricted.

2. The House agreed to convert to student loans the funds provided in the Senate bill for scholarships.

3. The House agreed to accept the Senate allotments for junior colleges but again the use was restricted.

Mr. Kaminsky recently observed his 50th anniversary as a registered pharmacist. He has been associated with the J. H. Lease Drug Company since 1917 and is the president of the firm where he is still actively engaged in the retail drug business.

Besides their daughter they have one son, Robert W. of Salem, who is associated with the Salem Label Company. They have five grandsons.

No formal invitations for the reception have been issued but all friends and relatives are invited to attend the function.

DEAR HELOISE: Never throw away old worn out table clothes while holes in them. Take your pinking shears and cut them in small sizes to be used later as dish towels, hand towels or napkins.

By using your pinking shears, this will save hemming each towel. I have never known good table clothes, such as linen, to ravel. As the center part is usually worn, I cut these clothes from the edges.

When the children go upstairs for their naps, each one can carry his own bundle and, of course, Mother totes the towels, sheets, etc.

This is my daughter-in-law's method. She has made it a game for her seven children, the oldest being eight. It not only keeps the kiddies busy but it is also educational. Even the 1-year-old wants to carry his socks.

Isn't it nice that one mother gives credit to her daughter-in-law? God bless her.

### Mark Constitution Day

A group of students re-enacting the signing of the U.S. Constitution and events of that era presented an assembly before the student body at Salem Junior High School Monday, commemorating the 175th year of the signing of the Constitution. The occasion was the traditional Sept. 17 Constitution Day.

Jac Bloomberg, president of the Student Council, acted as announcer for the program and Bob Huber explained the purpose of the assembly. The color guard was composed of Bob Huber, Ted Gilmer, John Bricker, Rick Metts, Kay Hanson, Susan Keck, Chris Crowe and Sara Krichbaum. Tim Ewing and Rick Klepper were stage boys.

Bill Lindner presented a background of the Constitution and Sandra Ciotti read the Preamble to the Constitution. "I Am an American" was read by Fred Grace, followed by Diana Schaeffer reading "Freedom - Why?"

For the dramatization of the signing of the Constitution, the girls were dressed in sequen-tennial costumes. The boys entered into the theme by rolling up their pant legs, which created temporary diversion from the actual program. Some white wigs were also in evidence.

Playing roles of George Washington, Ben Franklin and other prominent patriots, the boys acted as representatives at the Constitutional convention. The girls acted the roles of ladies in Philadelphia who were wives or relatives of the representatives.

Participating in these roles were Daniel Adams, Bob Beagle, Cathy Belich, Terry Boone, Debra Brown, Chester Burson, Cheri Cole, Bill Davidson, Rick Elliott, Rick Franklin, Rosemary Kerr, Linda Koniecko.

Maria Migliarini, Byron Miller, Belinda Moyer, Andy Piraki, Ralph Price, Roger Rhodes, Robert Rozeski, Lola Santini, Timothy Sheen, Larry Spack.

Carl Spencer, Patricia Steele, Gary Stoddard, Paul Swenningson, Gayle Thomas, Terry Thomas, Bill Wagner, Janelle Whitehead, Sharon Willard, James Windram and Barbara DeVan.

The assembly was presented by members of ninth grade civics classes under the supervision of Mrs. Bessie Lewis, Miss Betty Ward and Ben Barrett, civics teachers.

# Stormy Fights Ahead for Farm Bill

WASHINGTON (AP) — A compromise farm bill, hammered out by Democrats in a Senate-House conference, faces stormy battles in both Houses.

The measure was ground out Monday in the conference as a compromise between rival bills passed by the two chambers. But the Republican conferees disowned the bill and refused to sign it. The seven Democrats approved it, saying it was the best agreement possible.

The measure is to start its rough ride through the adjournment-bound Congress in the House, probably Wednesday.

The bills calls for voluntary wheat and feed grain programs for 1963, to be supplanted by "Permanent" programs for 1964 and subsequent years—permanent unless Congress enacts something else next year.

Sen. George D. Aiken, R - Vt., Senior GOP member of the Senate Agriculture Committee, called it "worse than no bill."

The conferees gave no estimate of the program's cost.

The bill would continue the 1962 voluntary program for corn, grain sorghum and barley into 1963. Under this 1963 program, farmers who could cut back their feed grain acreage by from 20 to 50 per cent would receive a price support of \$1.02 a bushel for corn plus 18 cents a bushel as payment in kind from existing stocks. The supports for other feed grains would be tied into the corn supports.

Those not participating would not receive supports.

In a referendum last month wheat farmers approved a 1963 program based on a national acreage allotment of 55 million acres. Secretary of Agriculture Orville L. Freeman has set a price support level of \$1.82 a bushel for wheat for the 1963 crop.

Under the compromise bill, wheat farmers who voluntarily reduced their acreage by 20 to 50 per cent would receive an additional 18 cents a bushel to bring the total to \$2 a bushel. In addition, they would receive payments of 50 per cent of the normal yield for the diverted acreage.

# Ohio Official Missing Six Weeks Found

KNOXVILLE, Tenn. (AP) — Authorities have released Dayton, Ohio, City Commissioner David F. Pottinger, who turned up here an apparent amnesia victim after disappearing more than six weeks ago.

Officials at a Knoxville hospital said Pottinger, 26, was released Monday night and presumably was en route to Dayton with his wife and other members of his family who came here for him.

Pottinger was found Monday in a muddy roadside ditch with a minor scalp wound and a heavy growth of whiskers. He told of having carried on a one-man rackets investigation and said the last thing he remembered was three men dragging him out of his car in Dayton and beating him.

The bespectacled commissioner said he received a phone call Aug. 1 from a man who said he had evidence regarding alleged gambling and vice in Dayton. Pottinger said the man told him he would talk but needed money.

Pottinger said the attack came after he took \$2,100 and drove to meet the man at a pre-determined location. He said everything since then is a blank.

Shortly after Pottinger disappeared, Sherry Vanderweil, 17—who had been baby sitting with the Pottingers' two children—vanished from her home near Kettering, near Dayton. Pottinger voiced surprise when told that the girl was still missing.

Monday in Dayton Sherry's brother, Kenneth, said his mother had heard from the girl in a letter postmarked Sept. 8 in New York. The woman wrote to her daughter but no reply has been received.

# Morganthau Picked To Oppose Rocky

SYRACUSE, N.Y. (AP)—New York Democrats, long racked by internal feuds, chose Robert M. Morganthau at a chaotic state convention early today as their gubernatorial nominee.

Morganthau, former U.S. attorney in New York City and the soft-spoken son of a famous Democrat, was nominated unanimously over four rivals on the second ballot to oppose Republican Gov. Nelson A. Rockefeller in the November election.

Veteran Democrats called the strife-torn convention session one of the most unruly in the party's history.

# Four Held In Burning of Negro Church

By The Associated Press

Three white men and a white teen-ager are being held in the burning of a Negro church in racially troubled southwest Georgia. Authorities said they admitted talking about Negro church burnings and "just decided to burn them one." They were captured by FBI agents.

Solution of the case was announced by the Justice Department in Washington Monday night highlighting racial developments in which government representatives played a considerable part.

Among them were:

The federal government asked a federal court at Richmond, Va., to outlaw racial discrimination in public schools attended by children of a big Army base in Virginia.

A federal appeals court in Richmond ruled invalid Charlottesville's pupil placement plan for elementary pupils.

A Justice Department spokesman said a few U.S. marshals will accompany James H. Meredith, a 29-year-old Negro, when he reports for registration at the University of Mississippi in the next few days.

Sheriff Z. T. Mathews of Terrell County, Ga., said the four white persons held in jail at Dawson on arson charges admitted setting fire to the Negro High Hope Baptist church three miles north of Dawson in the early morning on Monday.

He identified them as Glenn Roland, 55; his son Melvin Earl Roland, 21; Marvin Allen Milner, 31; and a 16-year-old whose name was withheld in accordance with Georgia juvenile laws.

The quartet was spotted in a car near the church after the fire, the FBI said. Later they were picked up by agents who have been investigating three other churches burned to the ground in recent weeks and the firing of shots into several Negro homes.

FBI Director J. Edgar Hoover said his agents questioned the four persons and then turned them over to Georgia authorities because there was no evidence of federal violations.

## Catholic Women Hear Talk on Wills

Atty. John Lynch of Youngstown talked on "Wills" when Columbiana Deanery Council of Catholic Women met Saturday at St. Philip Neri parish hall in Dungan.

Rev. Joseph Werner, pastor, welcomed the women, and Mrs. Robert Carter of Summitville, president, was in charge of the business session.

Mrs. John Drovdic of Lisbon and Mrs. John Bernet of Dungan reported on the Diocesan board meeting held recently in Geneva. The national convention of the group will be held Nov. 3-7 in Detroit.

Plans were made for the annual Day of Recollection to be held Oct. 14 at St. Aloysius Church in East Liverpool.

Refreshments were served to 35 women from a tea table decorated with fall flowers and green tapers. Miss Helen Auld of East Liverpool and Mrs. Walter Ewing of Lisbon poured. Members of the Altar and Rosary Society were hostesses. The group's next meeting will be Nov. 17.

J. Robert Miller was meeting Monday night with elementary teachers making final plans for a physical fitness and intramural program in football and other fall activities.

Miss Gertrude Brucklacher met all primary teachers last Thursday to discuss the Ginn Reading program.

Lights have been completed at Reilly Stadium, and telephone and public address systems there have been revised.

The blacktopped Junior High playground area will be fenced by Continental Fence within two or three weeks.

The Junior High auditorium painting is completed, and new draperies and curtains to cost approximately \$900 have been ordered for delivery Oct. 18 for the first Community Concert.

## 4th St. School Inspected

Fourth Street School has been inspected by a professional engineer and the structural safety of the building has been verified. All recommendations of the fire inspector are being completed so that all but the condition of the floors will be acceptable. The floors will be improved next summer.

The board assisted in the cost of the installation of a new clock at the senior high school. The clock is a gift from last June's graduating class.

All elected board members were present at the Monday night meeting. They are: Robert W. Campbell, Gail C. Herron, Bryce W. Kendall, Orein A. Naragon and Dr. Ralph J. Starbuck.

## ACCOUNTANTS' SPEAKER

Chester R. # Booster, Jaycee Donations Made To School Board

Two visitors at the Board of Education meeting Monday evening presented gift checks amounting to more than \$250.

Richard Loutzenhiser, representing the Salem Boosters Club, handed the board a check for \$154.88 for the lighting fund at Reilly Stadium. The check was made payable to the Salem High School Permanent Improvement Fund.

A new lighting system has been installed at Reilly field this fall and is now in use at football games.

Don DeJane presented a check for \$100 from the Salem Jaycees to be used to buy books for the junior and senior high school libraries, with \$50 to go for books for each library. DeJane requested that a list of books purchased with the gift money be given to the Jaycees, and he added that the organization hopes to be able to donate another check for school library books in the future.

## West Point PTA Holds Installation

LISBON — William Conrad was installed as president of the West Point Parent-Teacher Assn. Monday evening at the school.

Dean Wain was installed as vice president; Mrs. Albin Ronshak, secretary, and Mrs. Frank Hare, treasurer. Mrs. Veronica Wolski of West Point, president of the Columbiana County P.T.A., was the installing officer.

Committee chairmen appointed were Mr. and Mrs. Raymond Reynolds, membership; Mrs. Ronshak, magazines, and Mrs. Leslie Frantz, publicity.

Student Minister Regis Scharf spoke to the 50 who attended. Mrs. Dorothy Smith, vice president of the Beaver Local Boosters Club, discussed membership and attendance at the club's functions. Mrs. John Steffen's class won the banner for having the most parents in attendance.

The next meeting will be Oct. 15 at the school.

## THEFT IS REPORTED

LISBON — About \$90 worth of lighting fixtures was stolen by burglars at the Forest Lanes Bowling Alleys on Rt. 30, between Kensington and Hanoverton, between Aug. 20 and Sept. 15, according to Sheriff Russell J. VanFossan.

Jack Lindersmith of Linder-smith Electric Co. of Hanoverton reported the theft Monday to the sheriff's office. Deputy Howard Gray said six fixtures valued at \$15 each had been taken.

# Spahn's 5-Hitter Gives Brave 2-1 Win Over Dodgers

## Pirates Score 5-2 Win Over Giants

By JIM HACKLEMAN  
Associated Press Sports Writer

It may be that those fleet Los Angeles Dodgers have been slowed down a bit in their sprint for the National League pennant. But the San Francisco Giants, on a season-long treadmill away from home, are not doing any catching up.

Behind the masterful five-hit pitching of Warren Spahn, the Milwaukee Braves cooled off the

### Tickets On Sale For Salem-Ravenna Clash

Tickets for the Ravenna-Salem game Friday at Ravenna went on sale today at Fisher's News Agency and Heddleston's Drug Store, according to F. E. Cope, Salem High School athletic director.

No reserved seat tickets are available, however, general admission ducats are on sale for one dollar each. Students may purchase tickets at the high school and junior high for 50 cents. If bought at Ravenna the price for students will be one dollar.

A special bus for students and parents will leave from the junior high at 6:30 p.m., Cope added. Kickoff time is slated for 8 p.m.

Dodgers 2-1 Monday night, dealing the front runners their second straight loss after a seven-game winning spurt.

But at Pittsburgh, Elmo Plaskett made his first major league hit a three-run homer and Tom Sturdivant threw a seven-hitter as the Pirates whipped the Giants, 5-2. It was the Giants' fourth successive loss to Pittsburgh and their sixth setback in a row since flying out of San Francisco on the

## Palkovic's, Alberini's Win In Softball

Beaver Falls Valley Sportsmen Supply and Cuyahoga Falls McGowen-Reid were eliminated from Salem Invitational Softball Tournament play Monday, cutting the field to seven.

The Sportsmen were blanked 3-0 on a no-hitter by Youngstown Palkovic's Chuck Biddle while McGowen-Reid bowed out of the tourney 3-2 to Niles Alberini's.

Biddle kept the Sportsmen in hand the entire game as he sent 11 batters back to the bench on strike outs while giving just three bases on balls. Harold Freshcorn was charged with the loss, giving up five hits and fanning six before he was relieved by Jess Bailey in the sixth.

The winners' Ed Neff smacked a round-tripper in the sixth to pace the attack.

Two runs in the bottom of the sixth gave Alberini's its victory over the McGowen-Reid crew.

Both teams scored one run in the first inning and the game remained deadlocked until the losers shoved across another lone tally in the sixth to pull ahead.

In the bottom of the frame Tom Boone singled and Joe Sabino blasted a homer to provide the winning margin.

Action continues tonight with Salem Old Dutch and Alberini's battling at 7:30 with the winner meeting Lorain Old Dutch in the 9 p.m. nightcap.

wings of a seven-victory string a week ago.

So, the Dodgers remain four games ahead of San Francisco, with the idle Cincinnati Reds now 5 1/2 back in third. Los Angeles and San Francisco each have six home and five road games to go, while Cincinnati has four at home and six away.

In Monday's only other game, homers by Billy Ott and Ernie Banks in a five-run seventh inning powered the Chicago Cubs over St. Louis 8-4.

There were no Monday games in the American League, but that race resumes today. In key action, the pacesetter New York Yankees play at Washington tonight and Minnesota's runnerup Twins, three games behind, entertain Detroit this afternoon. Also tonight, Early Wynn of Chicago guns for his 300th career victory when the White Sox take on Boston.

Spahn, who has pitched in a lot of hard luck this season, had another mighty struggle against the Dodgers but finally succeeded in his fifth try for his 15th victory. The Braves jumped off to a 2-0 lead against Pete Richert in the second inning, then they blew other chances by stranding 11 men, including three in the second and seventh and two in the fifth.

Frank Howard's 29th homer brought the Dodgers their run with two out in the seventh; then they also failed to cash in on later opportunities. Ron Fairly drew a walk leading off the eighth and with one out, pinch runner Dick Tracowski tried to score on Maury Wills' double, only to be cut down easily on Frank Bolling's relay from Hank Aaron.

Left-hander Mike McCormick's wildness started the Giants down-hill. He hit Bob Skinner with a pitch and walked Bob Bailey prior to Plaskett's homer in the second and San Francisco never caught up. Roberto Clemente homered off McCormick in the third after Dick Groat's single.

The Cubs went into the last of the seventh trailing the Cardinals 4-3 but Ott quickly made things even against loser Ray Washburn with his first big league homer. Then with two aboard, Banks whacked his 35th of the season, and pitcher Dick Ellsworth later singled in the fifth run of the rally. Ellsworth went the distance although allowing nine hits, including homers by Ken Boyer and Julio Gotay.

## Mrs. Ivan Cops National Shooting Match

### Fires Muzzle-Loader At Competitions In Indiana

Salem's answer to Annie Oakley.

That's probably the best way to describe Mrs. James Ivan of 1015 Liberty St., who won the Beatrice Schwimmer's Women's Match trophy in competitions held at Friendship, Indiana, over the Labor Day weekend.

Mrs. Ivan was one of 20 women from all parts of the United States who competed in the match and copped first place by firing an amazing 48 of a possible 50 from the offhand position with a muzzle-loading rifle.

The six-day match was sponsored by the National Muzzle-Loading Rifle Association and more than 90 different classifications of matches were held for both men and women.

As if winning the Beatrice Schwimmer's award wasn't enough to make the other competitors pack up their guns and go home, Mrs. Ivan also won a second and third in other matches.

She took second in the Women's National Championship match, which consisted of four different phases, and third in the Women's Offhand Aggregate, which is the total score of four different competitions.

Mrs. Ivan is by no means a novice at target shooting. She is

## Little Brown Jug Field To Be Decided Today

DELAWARE, Ohio (AP)—The field for the 17th Little Brown Jug will be determined today. Owners of eligible pacers have until 11 a.m. to put up the \$750 starting fee.

It appears, however, that 13 of the nation's top 3-year-old pacers will be going in the \$80,000 classic Thursday. The likely starters include:

Coffee Break from C. & M. Stable of Archbold, driven by George Sholly.

Lehigh Hanover from Lehigh Stable, New Egypt, N.J., driven by Stanley Dancer.

## Niles McKinley Headed For Another Ohio Football Title

By FRITZ HOWELL  
Associated Press Sports Writer

COLUMBUS, Ohio (AP) — There'll be plenty of changes in the Top 10 next week as The Associated Press launches its annual ratings of Ohio's high school football teams.

Only five of the elite list which finished last year's campaign have escaped defeat this infant season—and new powerhouses are popping up all over the place.

Sportswriters and broadcasters will participate in the weekly ratings, with each Associated Press member newspaper or radio-television station having one vote. Now that the shakedown cruise has been completed, the Top 10 voting will start after the weekend contests.

Leader of the poll at the end of the season wins the Ohio high school championship and the Rutgers Hall of Fame trophy.

Niles McKinley, winner last season, is heading toward the heights again. The Dragons opened with a 32-0 win over East Liverpool and then smothered Cleveland Cathedral Latin 36-0. Some of the glamor of the win over East Liverpool was erased as the Potters lost their second straight last weekend to Little Beaver Local, 16-12.

Massillon's seven-time champs recovered from their opening 8-7 setback at the hands of Fremont Ross to wallop Akron South 52-6. Third-ranked Bellevue, 68-14 winner over Fostoria in the opener, rolled on with a 42-6 verdict over Clyde.

Cincinnati Roger Bacon, fourth in 1961, opened with a 44-6 decision over Cincinnati Moeller.

Martins Ferry's 32-game winning streak, and coach Bob Wion's 21 in a row, went down the drain

as Marietta triumphed 24-6 in a scrap between the river cities. Ferry was fifth in 1961.

Hamilton Garfield, rated sixth, also was dumped—losing 8-6 to Cincinnati Hughes after squeaking by Fairfield 6-0 a week ago. Kettering Fairmont, seventh, made it two straight by 28-20 over Springfield South.

Eighth - ranked Alliance, upset 13-8 by Lima Senior in the opener, roared back for a 58-14 win over Akron Central, but ninth-ranked Toledo Maconber was a 34 - 2 victim of Toledo Whitmer in its opener.

Coach of the Year Glenn (Tiger) Ellison of Middletown has his orthodox offense in high gear. The Middies, 10th last season, have won 70-28 over Cincinnati Greenhills and 36-6 over Columbus North.

Fremont, after whipping Massillon, came up with a 21-0 nod over Cleveland West.

In the opener, Mansfield and Warren tied at 6-6. But last week Warren's Panthers smothered Erie (Pa. East 62-0, and Mansfield lost 28-6 to Lorain Admiral King. The latter team is being touted as tops in its area.

### Marion Heck To Play Today

## Virginia Boy Leads U.S. Amateur Play

By KEN ALYTA  
Associated Press Sports Writer

PNEHURST, N.C. (AP)— With Ronnie Geringer, teen-aged son of a Newport News, Va. contractor, heading the wrecking crew, the mad scramble to crown a successor to Jack Nicklaus as U.S. Amateur golf champion moved into its second round of perilous 18-hole matches today.

Marion Heck of Columbiana, who had a first round bye, faces Downing Gray of Warrington, Fla., in a second round match today.

Geringer muffed one of the hottest of the hot shots, Charlie Coe, the two-time champion from Oklahoma City, 3 and 2, in a rain-plattered opening round on Monday. The Virginian, who at 19 is half Coe's age, shot a three under par 33 to zoom into an incredible five-hole lead at the turn. He finished off Coe with a 20-foot birdie putt on the long 18th hole of the 7,051-yard par 72 Pinehurst Country Club No. 2 course.

These other former Walker Cup players went down to defeat in the 12-hour day. Bill Hyndman of Philadelphia lost 1 up to sharp putting Ray Terry of Jacksonville, Fla., son of former major league baseballer Bill Terry. Bob Gardner of Essex Fells, N.J., was beaten 4 and 2 by Philadelphia veteran Jack Penrose and Ward Wettlaufer of Buffalo, N.Y., took a 5 and 4 drubbing at the hands of Dan Carmichael, a 43-year-old Columbus, Ohio architect.

## Record Massachusetts Vote Expected In Primary Today

BOSTON (AP) — Massachusetts voters decide today whether another Kennedy will run against another Lodge in another round of a political feud between the two families over the same seat in the U.S. Senate.

Edward M. Kennedy, youngest brother of President John F. Kennedy, is running for the Democratic nomination in today's Massachusetts party primaries.

George Cabot Lodge seeks the

Republican nomination. He is a son of Henry Cabot Lodge, who held the seat at stake from 1947 until John F. Kennedy won it in 1952.

Kennedy and Lodge won the endorsements of their party conventions in June, over the same men who are their primary rivals.

Edward J. McCormack Jr., state attorney general and a nephew of Speaker of the House John W. McCormack of Massachusetts, opposes Kennedy.

Rep. Laurence Curtis, R-Mass., is running against Lodge. Curtis' congressional district was eliminated in this year's reapportionment, which cut the delegation from 14 to 12.

The vote is expected to set a record, topping 1 million.

Polls open at various hours and close at 6 or 7 p.m.

Age and experience have been prime issues in both contests.

Kennedy turned 30, minimum age for a senator, last Feb. 22 just before he announced his candidacy for the seat his brother vacated on winning the presidency in 1960.

McCormack, 39 last month, is a graduate of the U.S. Naval Academy. He has stressed his record of holding public office for the last 10 years.

On the Republican side, Curtis, 69, cited his experience in city, state and national office as a contrast to Lodge's first try for public office. Lodge is 35.

The Kennedy-Lodge feud for the Senate seat goes back to 1916 when Lodge's great-grandfather, Henry Cabot Lodge, defeated John F. (Honey Fitz) Fitzgerald, the President's grandfather, for the Senate.

The second round was the 1952 election when John Fitzgerald Kennedy evened the score by turning the younger Henry Cabot Lodge, later U.S. ambassador to the U.N., out of the seat.

The third family contest was in 1960 when President Kennedy's victory was a defeat for the Republican ticket on which the former U.N. ambassador was the nominee for vice president.

The superintendent described operations of the local school system, highlighting current educational efforts in ungraded primary work and telling about some of the efforts being made in the teaching of mathematics.

Smith reported to the Lutheran group that expenses of the local school system during the 1962-63 year will be an estimated \$1,090,000. He pointed out that 69.9 per cent of the school support comes from local taxes and that 68.8 per cent of the support money goes toward salaries of school personnel.

Following Monday night's Board of Education meeting, Superintendent of Schools Paul E. Smith addressed a meeting of the Brotherhood of the Emmanuel Lutheran Church in the Fellowship Hall at the church.

**MERCURY FOR '63** — Two new convertibles will join the Mercury Comet line in 1963. The power-operated soft-tops will be available in the custom series and in the bucket seat S-22 series. Significant engineering advances developed originally for the big car field have been incorporated into the new Comet and substantially reduce the time and expense of auto maintenance. The major lubrication cycle has been extended from 1,000 to 36,000 miles with minor lube intervals of 6,000 miles.

## East Palestine Acts To Obtain Federal Grant

EAST PALESTINE—City Council at their Monday night meeting took several legislative steps toward securing a \$98,000 federal grant for the construction of a new sewage treatment plant at a cost of an estimated \$331,000.

Council authorized the hiring of an engineering firm to supervise the construction, and authorized the purchase of one and one-half acres of ground for the plant expansion and agreed to reduce the sewer rental fees from \$24 to \$20 a year. These steps were taken in view of the requirement of the federal grant that construction work be underway by Jan. 1.

Several months ago, council raised the sewer rental fee from \$12 to \$24 a year, with the understanding that if the federal grant was received rates would be reduced to the amount actually needed.

WASHINGTON (AP)—A whisper campaign that President Kennedy once secretly married a divorcee was branded baseless by two publications Monday.

Newsweek magazine explored the long-circulated rumor in an article to be printed in this week's edition. The Washington Post, which owns Newsweek, printed the article in advance yesterday morning. Both publications labeled the rumor groundless.

The rumor — the alleged "evidence" for which is an unsupported passage in a genealogy book — has been current more than a year. The White House declined comment to newsmen yesterday, as it has in the past.

To citizens who write the White House about the rumor, this reply goes out:

"The President has been married only once to his wife Jacqueline Kennedy."

The Associated Press and other news organizations have checked many sources over the months and never found substantiation for the report of an early marriage.

**SPARE TIRE STOLEN** — Tim Huffer of 272 W. 7th St. reported to police that a spare tire was stolen sometime Monday morning from the trunk of his 1958 Ford from the trunk of his home. The trunk was reported to have been left unlocked.

**BEGINS CAMPAIGN TOUR** — HAMILTON, Ohio (AP)—A campaign tour through Butler County today for Gov. Michael V. DiSalle was to start with his early morning arrival at Miami University by plane. The governor planned to address groups in Middletown and Hamilton before a late evening return to Columbus.

**GRANT IS ANNOUNCED** — CLEVELAND (AP)—Trustees of the Leonard C. Hanna Jr. Fund have announced a \$100,000 grant to the Central Volunteer Bureau of the Cleveland Welfare Federation. The bureau serves mainly as a clearinghouse where citizens may volunteer for work in health, welfare, educational and cultural agencies.

## Methodist Women Plan Conference

Members of the Woman's Society of Christian Service of the First Methodist Churches of the Steubenville district will have their fall meeting this week, with the theme, "Called, Confronted, Compelled."

The Toronto First Methodist Church will be host Wednesday and Columbiana First Methodist Church on Thursday. Advance reservations are to be made with Mrs. Louis Melhorn of 702 Logan St., Toronto, or Mrs. Guy Patchen of 65 Duquesne St., Columbiana.

Registrations for both meetings are at 9:30 a.m. and sessions will begin at 10. Mrs. Harold Nelson, district president, will preside.

Promotion plans for the coming year will be presented by Mrs. Lewis Call.

Guest speaker for the event will be Miss Dorothy Buser, recently returned missionary from Katakua, Africa, who will present information concerning that "newly awakened" country and show many interesting articles she brought from there.

Rev. Charles M. Dailey is pastor of the Toronto church and Rev. George Sweeney pastor of the Columbiana church.

**Palestine Schools To Return to EST** — EAST PALESTINE—The Board of Education at a meeting Monday night ordered schools to return to Eastern Standard Time on Monday, Oct. 1.

The city will remain on Daylight Saving time through Oct. 28. All extra - curricular activities such as football games will be on city time.

The board agreed to organize a citizens committee to promote passage of two school levies on the November ballot: one, a three-mill renewal, the other a new five-mill levy which has been turned down by voters on two previous occasions. Both levies are for general operating expenses.

The board will send speakers to the meeting of the P.T.O. Wednesday evening at the high school to explain the need for the levies.

A word from **THERON** at the Country Store

A couple of young boys down in Hanoverton, O., whose dads make their living in food stores, came to them and asked if they could have a stamp burning. They took a stamp saver book with one stamp in it and slowly burned it. They said they were torturing it. That is what independent merchants do to an independent grocer when they put in these chain store stamps.

These (little) merchants are sending their customers miles away to do their food buying. This don't seem like a very smart idea; they might buy their other things there also.

Questions—Answers

Q—On what islands do the women own the land?  
A—The San Blas Islands which lie from two to 10 miles off the coast of Panama.  
Q—Which is the smallest bone in the human body?  
A—The incus, one of the three auditory bones in the middle ear.  
Q—What city is sometimes referred to as the Gibraltar of America?  
A—Quebec, Canada.

## Student Increase Seen In Columbiana Schools

COLUMBIANA — D. W. Bailey, superintendent of Columbiana schools, announced this week that enrollment in the school system this year is up 104 over last year's enrollment. There are 146 kindergarten pupils this year, and 13 pupils in special education.

The elementary schools, grades one through six, enrolled 782. The junior high grades, seven and eight, have 235, and the senior high grades have 382. The figures add up to a total of 1558 pupils.

The opening of the new South Side School has made it possible for the system to serve the enlarged enrollment with little difficulty, although all school rooms in the system are in use now.

The Church of the Nazarene will hold evangelistic services every evening at 7:30 beginning Wednesday and continuing through Sept. 30.

Rev. George O. Cole of Sebring will be the evangelist. Rev. Cole entered evangelism after several

years as a pastor in Pennsylvania, Ohio, and Tennessee.

There will be two services on Sunday, one at 11 a.m. and another at 7:30 p.m. Rev. John Donley will preside.

The Triple M and Forum classes of the Presbyterian Church will hold a wiener roast at 7 p.m. Friday at the home of Mr. and Mrs. Robert Forney. Members are asked to bring their own wieners and buns.

The two classes have combined, and during the evening new officers will be elected and a new name will be chosen.

### WOMAN DIES IN CRASH

OTTAWA, Ohio (AP) — Mrs. Chloa D. Krouse, 62, of Kalida was killed and two other persons were injured Monday night in a head-on collision on Ohio 15 about 10 miles northwest of here.

Injured and taken to Defiance Hospital were her husband, Carlisle, 59, and the driver of the other car, Petty Officer George J. Dorko, 25, of Findlay.

**FAMILY EFFORT** — Lack of funds forced O. E. (Ozzie) Herkner, left, a Traverse City, Mich., cherry farmer to turn down a chance to visit Russia with a group of agriculturists. But his neighbors and family opened a "Get-Ozzie-to-Russia" booth and soon sold enough baked cherry pies, bread and cherries to get Ozzie on trip. Children, from left, Lynda, Warren, Sue Allen and Mary Jean, sold more than 1,000 pies and loaves of bread.

## Middle Age Pleasure

By HAL BOYLE

NEW YORK (AP)—One of the great pleasures of middle age is the discovery that your memory is slipping.

From then on you can make your life even more enjoyable if you pretend it has slipped even further than it has, just as elderly people often pretend they are harder of hearing than they actually are.

Then you can remember only what you want to — just as old folks hear only what they choose to.

Loss of memory isn't so much a matter of physical aging in most men as it is a selective form of self-defense. It is affected by the kind of jobs they have, and how long they have been married.

In general it might be said that the more people there are who feel they have a right to tell you what to do, the earlier your memory begins to show signs of failing.

It is only by forgetting some of their insistent demands that you can remember to do some of the things you want to get done yourself. This is what is known as protective, or self-defensive, loss of memory.

Some people take an inordinate pride in their memories. They can remember all their past automobile licenses, and can recall the name and room number of every hotel they stayed in. What is worse, they like to show off this useless skill at cocktail parties after their second drink.

Such parrot-type memories are more of a nuisance than a blessing, and hardly show intelligence of a very high order. They result in a mind stuffed with nonessential lumber that should bore one's self and certainly is bound to bore others.

Many middle-aged people worry at any sign of loss of memory. The truth is loss of memory is normal, healthy, and essential.

It begins at birth and continues inexorably until death.

Every day, probably every hour, awake or asleep, our crowded brains forget something they no longer need to keep—and if they didn't it is hard to see how we could go on living.

How impossible life would be to the average man if he remembered every wrong or foolish thing he had done in his long journey! Such a mountain of accumulated guilt and regret would break the stoutest back. He would have time only for remorse; none left for accomplishment.

The wise man of middle age feels a quiet sense of elation at the discovery his memory isn't quite what it used to be.

What if he no longer can work a problem in high school algebra? What if he does keep meeting people whose faces are familiar but whose names he can no longer recall? What if he did forget his wife's 49th birthday?

Maybe he no longer needs algebra, the names of those forgotten faces no longer are important to him, and his wife would rather he remembered their 25th wedding anniversary than her 49th birthday.

The part of wisdom in middle age is to remember what makes you feel better, and if anyone tries to remind you of anything else, simply to shake your head and say, "It must have slipped my mind. It's a shame the way my memory is going."

Warren, Ohio (AP) — Mass immunization of Trumbull County residents against infantile paralysis is to be started Sept. 30 with the distribution of TYPE I Sabin oral vaccine at 31 clinics. Officials of the Trumbull County Medical Society discussed the program Monday and decided to go ahead with plans to administer Types I and II of the vaccine.

## Leetonia Rebekahs Plan Event

LEETONIA — A birthday party will be held Tuesday, Sept. 25, by D. Wallace Rebekah Lodge in honor of members who celebrated their birthday during July, August, and September.

Members having a birthday in April, May, and June will be the hostesses. There will be practice of the degree staff during the regular meeting that evening.

Seven tables of 500 were in play at the benefit sponsored by the Rebekah Lodge Saturday evening. Mrs. Arthur Wisler and Mrs. Ed Gotthardt shared high honors for the ladies. Roy Mathey won high honors for the men. Mrs. Ruby Johnson of Salem and Mrs. Rosa Cox received special prizes.

Mrs. Roy Mathey served lunch. The next benefit will be held this Thursday.

Mr. and Mrs. Raymond Leonard Sr. visited Mr. and Mrs. James Leonard at Columbiana on Sunday.

The Ruth Bible Class of the Methodist Church will meet Friday evening in the educational room of the Church. Mrs. Donald Hinton and Mrs. F. B. Vestal will be the hostesses.

### LISBON KIWANIS CLUB

LISBON — Ernest B. Miller, Kent landscaper, will speak on his trip to Russia at the meeting of the Kiwanis Club Thursday noon at the American Legion dining room. Gail Lewis is program chairman.

### STEWART TO BE HONORED

WILMINGTON, Ohio (AP) — Justice Potter Stewart of the U.S. Supreme Court, former Cincinnati attorney, is to get an honorary doctorate in laws from Wilmington College at an honors convocation Wednesday. The citation by the Quaker school noted Stewart's lone dissent last June from a controversial high court decision on prayers in New York schools.

### MAKEUP SABIN CLINICS

CINCINNATI (AP)—City health officials scheduled makeup clinics today through Thursday for residents who missed the third and last dose of Sabin polio vaccine last Sunday. A spokesman said several thousand doses were left over after about 576,000 persons in greater Cincinnati took the Type II vaccine at Sunday clinics.

A modern turbojet engine consumes about one pound of fuel per hour for every pound of thrust.

### FORFEIT IN LISBON

LISBON — Three motorists arrested for traffic violations forfeited \$10 appearance bonds Monday in Mayor Dean Stockman's court when they failed to appear for hearings.

They are Mary Elizabeth Michael, 57, Steubenville, reckless operation; Kenneth L. Vollnogle, 34, Lisbon RD. stop sign violation, and Dean E. Smith, 21, 234½ S. Lincoln Ave., failure to stop for a red flasher.

## FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug counter.

What is a stock broker really like?

Fact vs. fiction

Are you planning to invest in stocks or bonds? Then you may be thinking about your first trip to a broker's office.

Many people don't know what to expect. And a good deal of what they do expect often turns out to be fiction.

Check yourself on these key points:

Fiction: Brokers aren't interested unless you've got lots of money.

Fact: A great number of investors, especially beginners, are small investors. So don't let that bother you.

Fiction: Brokers want you to plunge for all you've got.

Fact: Not so. A good broker does not want you to get in over your head. The best way he can keep you as a customer is to put your interest first. Before you invest, allow for living expenses and emergencies, then tell him how much you can consider to start your program.

Perhaps you'll prefer to invest systematically on a budget. The Monthly Investment Plan of Member Firms of the New York Stock Exchange permits you to invest with as little as \$40 every three months.

Fiction: Brokers have a few pet stocks they want you to buy.

Fact: A good broker will be glad to suggest stocks he thinks will fit your personal goals.

Some people seek extra income through dividends. Others set a goal of long-range growth in the value of their stock.

Still others aim for some combination of the two. And some prefer the greater safety of principal and stability of income which some bonds offer.

Fiction: Brokers just play their hunches.

Fact: Facts, not hunches, should be the basis of a sensible recommendation.

Nobody can know all the facts, and no one can tell how a company will fare. There are always risks in investment. Prices go up and down. But your broker expects you to want to know about a company's past performance—sales, profits, dividend record. And, after considering many factors, you can decide what the company's prospects appear to be.

Fiction: All brokers are alike.

Fact: Far from it. Registered Representatives in Member Firms, for instance, have had to meet the requirements of the New York Stock Exchange for knowledge of investing.

Understanding your broker, knowing what's fact and what's fiction, can help you proceed in a practical and sound way when you're ready to invest. You're always welcome in a local Member Firm office.
